SKOPELOS EVENTS

Fall is a grand time in the Skopelos Grand Ballroom!

This past October, we were honored to host a number of the community's largest fundraising events, including the **Annual Rat Pack Reunion**, which raised over \$140,000 in support of the Council on Aging in West Florida; **Pensacola Opera's JukeBox Gala**, which raised money in support of the arts; and **Baptist Hospital's Annual Fashion Show**, which raised almost \$120,000 in support of Totes for Totes benefitting children in foster care.

We are proud to host an environment that raises funds for our community; we are honored to work with incredible teams that bring everyone together; and we are inspired by each of you that contributes your time and money to help those in need. Together, we can -- and do -- make a difference.
